

EFFECTIVE JULY 30, 2020

Our new hours of operation are 6am to 6pm, Monday through Sunday with no overnight service. Below you will find our COVID-19 Guidelines in which we kindly ask all passengers to adhere to in order to create a safe environment for both our passengers and drivers.

COVID-19 GUIDELINES AS PASSENGERS IN OUR TAXI

1. We ask customers to wear face coverings at all times while riding in our taxi; this is to help mitigate the spread of COVID-19 or any sickness.
2. If you feel sick or are experiencing symptoms listed on the CDC website, we recommend you not ride in our taxi and contact your health provider for guidance.
3. We ask all passengers to refrain from any type of smoking while riding in our taxis.

If our drivers or administrators feel uncomfortable with providing transport to a visibly sick passenger for safety reasons, drivers can choose to refuse transport. Health safety concerns are our top priority for our customers and drivers at all times. We thank you for your understanding in this unprecedented situation for all of us, stay healthy and safe! And thank you again for riding with us!
